

SHIVAM POLYMERS AND CHEMICALS

Profile : Shivam Polymers and Chemicals has a registered office in Boisar, Palghar in Maharashtra.

One of the leading producers of Phenol Formaldehyde resin (Novolac and Resole)

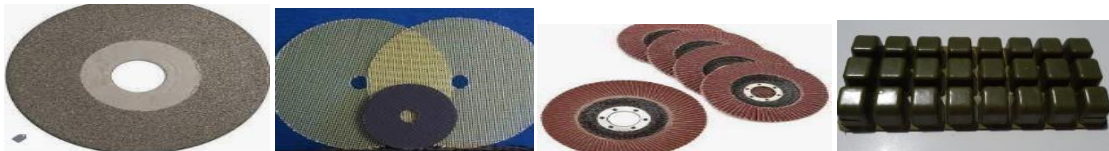

for variety of applications as mentioned below.

1. Abrasives

- a. Grinding wheels
- b. Diamond and cut off wheels
- c. Coated abrasives
- d. Lappato/ polishing abrasive
- e. Fiber glass mesh disc

SPC products used : Powder resin - PFR 154, PFR 150, PFR 153, PFR 157

Liquid resin – PFR 110 and PFR 110 SPL, PFR 306, PFR 110 SPL HV

2. Friction

- a. Disk pads
- b. Brake lining
- c. Clutch facing

SPC products used : Powder resin - PFR 154, PFR 156

Liquid resin - NA

3. Foam

- a. Floral
- b. Insulation
- c. Mining

SPC products used : Powder resin - NA

Liquid resin – PFR 303 and PFR 303 H 9 (catalyst)

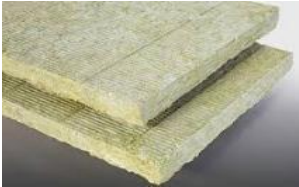

4. Mineral wool insulation

- a. Glass
- b. Stone
- c. Slag

SPC products used : Powder resin - NA

Liquid resin – PFR 305 and PFR 305

5. Refractories:

- a. Sleeves
- b. Riser
- c. Flux
- d. Tundish box

SPC products used : Powder resin – PFR 154, PFR 151

Liquid resin – NA

6. Laminates

- a. Paper laminate
- b. Cotton laminate
- c. Wood laminate
- d. Car filters
- e. Battery separators
- f. Evaporative cooling pads
- g. Resin for bonded cartridges

SPC products used : Powder resin – PFR 154, PFR 150

Liquid resin – PFR 119, PFR 111, PFR 119 SPL, PFR 307

7. Composites

- a. Fiberglass composite
- b. Natural fiber composites (jute and banana fiber)
- c. Fire retardant fibreglass composite
- d. Paper composite
- e. Carbon composite (CFC)
- f. Impervious graphite impregnation
- g. Composite doors
- h. Rail composite
- i. Ablative composite
- j. Ballistic composite
- k. Aerospace composite
- l. Pre-peg system

SPC products used : Powder resin – PFR 154, PFR 150

Liquid resin – PFR 119, PFR 107, PFR 108, PFR 310,

PFR 311 (catalyst) PFR 301, PFR 110, PFR 117,

PFR 117 SPL, PFR 315

8. Furan resin

- a. Acid lining
- b. Wood adhesive
- c. Chemical resistant cement
- d. **SPC products used : Powder resin – NA**

Liquid resin – PFR 118

9. Foundry

- a. Shell molding
- b. Cold box
- c. No bake
- d. Coke manufacturing

SPC products used : Powder resin – PFR 154, PFR 150

Liquid resin – PFR 308

10. Others

- a. Catalin rods
- b. Lamp capping cement
- c. Cork manufacturing
- d. Tyre manufacturing industries
- e. Rice rollers
- f. Molding powders
- g. Flexo and gravure printing inks
- h. Photo resists
- i. Resin bonded textile felts
- j. Proppant
- k. Acid resistant flooring/coating
- l. Insulating varnish

SPC products used : Powder resin – PFR 154, PFR 203, PFR 122, PFR 120, PFR 121, PFR 123, PFR 124

Lamp capping cement – PFR 2001 FTL, GLS

Liquid resin – PFR 302, PFR 117 SPL
